Nursery, English treatment. walls in dark paper, upper panels, each different with several characters from Mother Goose's.—"Little red riding hood," "Little boy blue," "Little bo peep," "Cock Robin," "The House that Jack built," "Sirg a song of Sixperce," The veritable cow in the act of jumping over the moon, while the Terpsichorean Feline discourses on the violin, and numerous ether friends of childhood. Guest chumber in olive and pink—paper and carpet to correspond to the content of the complex of the content of the cont Returns from 225 towns give Hale 37,540; Edgerly 36,174; sent-tering 721.

Wisconsin.

Indications are large dem gains.
Congressmen elected 6 d and 2 r.
south carolina. which contains in the upper half a water tank or reservoir high enough to throw water everywhere in the building.

We suppose a reporter has no business in the kitchen, but the convenience and uscableness of this one with its accessories is one of the most praisable features of the house. Mr. and Mrs. Green have many friends who congratulate them on their benutiful home, and all the more because of their generous liberality towards all that contribute to the welfare and general good of the community But more than all the beauty of the farnishing, the brilliance of the decor-ation; more than all the gilt and tinse of the world shall chine in their house the light of true domestic affection. Twice happy, long may they live toler-toy it! Thrice happy, if living ready for another life, another house,—the louse not built with hande!

-Last evening between 6 and 7 clock a terrific hall storm struck nt 18,000 to 20,000. The dem can-didates for congress were elected. NORTH CAROLINA. Vinita and lasted but a few minutes. Hail stones 7 inches in circumfer. ence was brought into our office, the
